EXPERIENCE

- 2016** **TECH EVENT COMMUNICATION & SOCIAL MEDIA TEAM LEADER**
SINFO | www.sinfo.org | April 2016 - Present
SINFO is a non-profit college student organization, responsible for organizing one of the biggest Tech conferences in Portugal. I am responsible for managing social media accounts and creating daily posts to promote the conference. Regarding the conference it self every member is responsible for contacting speakers and companies to participate in the event.
- 2016** **CODERDOJO VOLUNTEER MENTOR**
CoderDojo LX | www.coderdojo.com | March 2016 - Present
Teach kids from 7 to 17 years old to program in order to motivate them in working on their own projects. I take this opportunity to share knowledge and learn with the other attendees. I also had my first steps in Arduino and Raspberry Pi.
- 2014** **BASKETBALL VOLUNTEER COACH**
Externato São José School | November 2013 - February 2014
Created a project in my Primary School to build and coach a Basketball team of kids from 13 to 15 years old teaching the basics of basketball to take part in a school competition.
- 2006** **BASKETBALL YOUTH ATHLETE**
Sport Algés e Dafundo | September 2006 - July 2014
Played Basketball for 8 fantastic years! Learned so much from this part of my life such as discipline, time management, teamwork, dealing with pressure, the importance of hard work and, to acknowledge and correct my weaknesses.
